Macrame plant pot

hangers

SATURDAY, 14th
October

1pm - 4pm £35

Beginners Macrame workshop with Em (from Knit with Em)! Macrame is the art of making beautiful textured patterns using knotted cord, for both decorative and functional uses. Macrame is thought to have come from the Arabic word 'migramah', with its origins traced back to 13th century Arabia where it is believed weavers would use loose threads to make decorative fringes on the edges of their work. In the UK Macrame became hugely popular in the Victorian period and again in the 1970s. This relaxing and fun craft is becoming hugely popular once more! So, in this workshop, we will spend the afternoon learning a few basic knots and making our very own macrame plant hangers! We will be using plain cotton cord and adding a touch of colour and texture with a variety of yarn (as a knitter I can't resist!). A perfect workshop for complete beginners.
